ICT FOR MIGRANTS KA210-YOU

Empowering Young Migrants

THE "EMPOWERING YOUNG MIGRANTS" GUIDEBOOK, CREATED WITH THE GREAT EFFORTS OF ALL OUR PARTNERS, IS NOW COMPLETE!

This guidebook addresses the challenges young migrants face in accessing digital technologies and provides essential tools and resources to help them navigate the digital world more effectively. It also includes evaluations and feedback gathered throughout the process, ensuring a comprehensive approach to supporting digital inclusion.

With sections covering key topics such as current challenges, available tools, and recommendations, this guidebook serves as a valuable resource for young migrants and organizations working in this field. We are proud to share this important work with all our stakeholders and believe it will make a meaningful impact in fostering digital accessibility and inclusion.

DISSEMINATION ACTIVITIES COMPLETED!

All our project partners have successfully carried out dissemination activities to promote our project. Throughout this process, the objectives and goals of the project were shared, along with our guidebooks, to reach a wider audience and maximize impact. These efforts aim to raise awareness, foster engagement, and ensure that the resources developed within the project benefit as many people as possible.

We appreciate the dedication of our partners in spreading the project's mission and look forward to seeing its positive impact on the target communities.

TRAINING MANUAL FOR YOUTH WORKERS COMPLETED!

This guide was created to support youth workers in helping young migrants acquire digital skills.

The manual includes methods, educational materials, and practical tools to facilitate the adaptation of young migrants to the digital world. It also covers tips for organizing workshops, motivating participants, and evaluating their progress.

This guide is an important step in increasing digital inclusion and supporting migrants' access to technology. We thank all of our partners for their contributions and are proud to share this valuable resource!
